

Creating Pedestrian, Bicycle and Greenway Oriented Corridors on South Hill

McClellan Pedestrianway

The pedestrianway is a continuation of the idea to change McClellan from a muddy-gravel road into a pleasant trail that provides residents with easy access to the school and to Mancio park.

1 View down McClellan from 16th

The drawings show how the pathway would wind through four blocks utilizing the existing pathways. The thinner path would provide areas for increased plantings while still allowing access to driveways.
